

# LinkStation Mini Compact Dual-Drive Shared Storage

## Compact Dual-Drive Network Storage

Buffalo's dual drive LinkStation Mini network storage server offers a variety of features for home and business users in a tiny, compact package. Quickly back up, store and share documents, music, photos, videos in a secure, central location with easy simultaneous access from multiple computers.

Paired with two 2.5" hard drives, the LinkStation Mini is the smallest NAS on the market, fitting in the palm of your hand. Support for RAID 0 and RAID 1 provides users the choice between maximum capacity and performance or maximum redundancy and reliability. The fanless design ensures reliable, near silent operation for noise-sensitive settings such as studios, bedrooms, and living rooms. Fast, reliable, compact, and near silent, the LinkStation Mini fits into any environment.

LS-WSXL/R1

### TWO HARD DRIVES

FOR MAXIMUM STORAGE  
OR MAXIMUM RELIABILITY

SHARE FILES BETWEEN  
**PCs AND MACs**  
ON YOUR HOME OR  
OFFICE NETWORK

### ACCESS AND SHARE

YOUR FILES REMOTELY  
OVER THE INTERNET  
FROM ANYWHERE

## Features and Benefits

**Compact Form Factor:** Paired with two 2.5" hard drives, the LinkStation Mini is the smallest NAS on the market and fits in the palm of your hand

**RAID 0 and RAID 1 Support:** Get maximum reliability with automatic data mirroring in RAID 1 or maximum storage with two striped hard drives in RAID 0

**Near Silent Operation:** Fanless design ensures reliable, silent operation in noise-sensitive settings

**Eco-Friendly Power Management:** Power Savings mode automatically powers the LinkStation Mini on and off with your PC (requires NASNavigator be to installed)

**DLNA CERTIFIED and iTunes® Servers:** Stream content directly to any DLNA compatible media player or use LinkStation Mini as content source from within your iTunes application

**BitTorrent® Client:** Download digital content over the

Internet directly to your LinkStation Mini

**Web Access:** Share your photos, music, videos or data files with family, friends and colleagues over the Internet with a standard browser or Apple iPhone®

**Active Directory Support:** Join to an existing Active Directory Domain for Windows user authentication and folder level permissions

**USB Port:** Attach a printer to the network, add a USB hard drive for additional storage or backup, or connect to a UPS for shutdown management

**NovaBACKUP®:** Includes NovaBACKUP Professional backup software

**Time Machine™ Support:** Use the LinkStation Mini with Time Machine backup

**No Annual or Monthly Fees:** Use any services, including WebAccess with iPhone support for free!

## Maximum Storage or Maximum Reliability

RAID 0 "STRIPING" MODE

RAID 1 "MIRRORING" MODE

OR

Get maximum storage with the increased capacity of two striped hard drives or the extra security of automatic data mirroring in one box.

## Easy Data Sharing

Multiple users/family members can store and access data on your LinkStation Mini.

#### Specifications

##### INTERNAL HARD DRIVES

Number of Drives	2
Hard Drive Sizes	500 GB, 1.0 TB
Total Capacity	1.0 TB, 2.0 TB
Supported RAID Levels	0, 1, Normal

##### LAN Interface

Data Transfer Rates	10 / 100 / 1000 Mbps
Connector Type	RJ-45
Number of Ports	1

##### USB INTERFACE

Standard Compliance	USB 2.0
Connector Type	A type
Number of Ports	1
Data Transfer Rates	Max: 480 Mbps

##### PROTOCOL SUPPORT

Networking	TCP/IP, AFP
File Sharing	SMB/CIFS, FTP/SFTP, DLNA
Directory Integration	LDAP, Active Directory
Management	HTTP/HTTPS
Time Synchronization	NTP

##### OTHERS

Dimensions	1.6(W) x 3.2(H) x 5.3(D) in.
Weight	1.1 lbs.
Power Consumption	15W Max.
Power Supply	External, 120-240V 50/60 Hz
OS Support	Windows® 7(32-bit/64-bit), Windows Vista® (32-bit/64-bit), Windows® XP, Windows® 2000, Windows® 2000/2003/2008 Server, Mac OS® X 10.4 or higher

\*1 TB = 1,000,000,000,000 bytes; total accessible capacity varies depending on operating environment. Data rate, features and performance may vary based on the configuration of your system and other factors. Multi-function printers not supported. Works in Windows only.
